

# FAMILY CHALLENGE

## Happy Dance Glass

### What to do:

- Gather a clear jar or glass, some clear soda (like Sprite), and a box of raisins. You can do one for the whole family or get enough for each person to have their own.
- Ask everyone to show how they act when they get really excited. (Smile, shout, jump up and down, etc.)
- Pour some soda in the glass.
- Drop in some raisins and watch what they do.

### What to ask:

- What did the raisins do?
- Why should we be excited about heaven?
